Marine Engineering and Manufacturing

Integrated Swim-Platform Passerelle

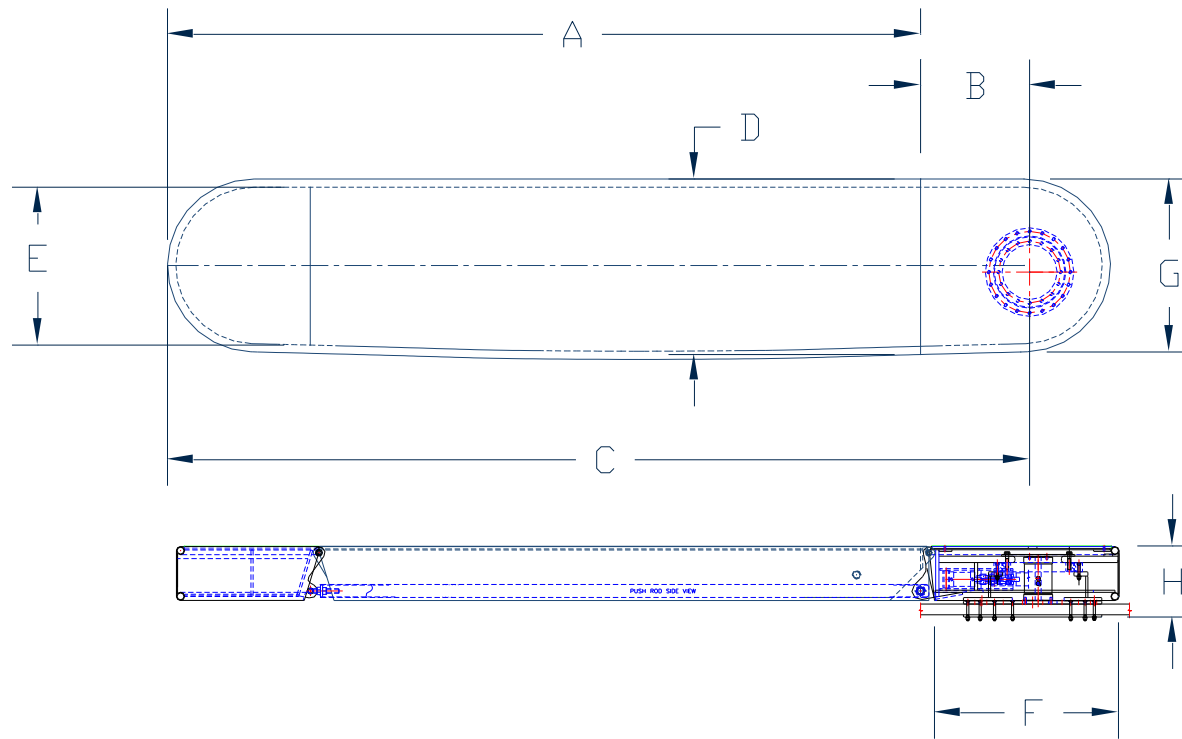

This is an example of Nautical Structures' innovation: the integrated swim platform-mounted passerelle is easily deployed for boarding and also doubles as a convenient tender dock while your vessel is anchored out.

Nautical structures is known for exceptionally built boarding equipment. Our Deluxe Tri-Rail Yacht Stairs, Ship-Side Accommodation Stairs, and Hydraulic Passerelles are styled and engineered to provide an elegant entrance to the yacht. Robustly built to ensure that your guests will feel comfortable and safe when boarding, our equipment is commensurate with the style and elegance of today's finest yachts.

Swim Platform-Passerelle
